Section 64 of the Mysore City Municipal Act, 1933, (Mysore Act VII of 1933), the Government may by order grant and define exemptions and other than those specified in provisos (a), (b) & (c), in exceptional cases from payment of tolls or other taxes imposed under the Act In view of the fact that the State Legislature substituted a new proviso (b) limiting the exemption under that proviso only to the Palace and took away the exemption granted to all other buildings when enacting the Mysore Municipal Laws (Amendment) Act, 1954, the Administrative Secretariat will have to consider the circumstances for treating the buildings proposed to be exempted as exceptional cases.
